MILITARY
BRISTLECOMB

FULLER BRISTLECOMB

Gives a new fresh loveliness to your hair

Designed for today's hair dressing styles. Improves the health of the hair and scalp—restores life and charm to the hair. Is used and recommended by hair dressing experts in the best beauty parlors. Bristles penetrate to the scalp and bring out the hidden beauty of the hair. You will marvel at the results. It follows the wave as you brush with an upward motion. Roll the brush as you draw it through the hair. Helps to eliminate excessive oil—helps to prevent and free the scalp of dandruff. Watch the improvement in the way your hair feels and looks.

Black Bristlecomb — Black Chungking Bristle — Black Bolatex Handle. Handle is waterproof.

DeLuxe Bristlecomb — Imported Stiff Black Siberian Bristle. Ivory Color Handle.

JUNIOR BRISTLECOMB

The brush for children

Children enjoy using this brush designed for a tender scalp. The most exacting mothers choose the Junior Bristlecomb because its bristles are medium stiff, and the rows are spaced wide apart to prevent tangling the hair. There is nothing better for encouraging the growth of beautiful hair than proper brushing. Black Chungking Bristles. Black Bolatex Handle.

MILITARY BRISTLECOMB

The latest hair brush for men

The seven rows of stiff black bristles are set at an angle in a curved back. This permits the use of a rolling motion. Makes the bristles comb the hair, and brush the scalp at one time. A marvelous tonic for a dry scalp — restores life, health and vigor. Removes and helps prevent dandruff. Beautiful Bolatex back has easy-grip finger groove. Stiff Black Chungking Bristle.

LADIES' COMB

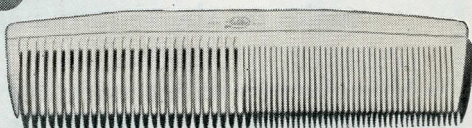

It appeals to careful buyers

Teeth are tapered, and moulded. Will not cut or split hair. Coarse and fine teeth.

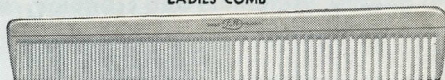

LADIES' COMB SMALL

Coarse and fine teeth. Moulded construction.

Wall, Rug and Floor Set

Gathers dust from walls, rugs and floors.

Gets the grit that cuts and grinds.

Saves time and money.

WALL BRUSH

Keeps your walls bright and cheerful

It doubles the life of your decorations. Cleans and preserves. Saves half the cost of cleaning and decorating walls. Is self-adjusting to walls and ceilings. Gathers dust without streaking. Brush up and lift the dust as it falls into the brush. It may be used on silk draperies or curtains. Long handle reaches over doors, window frames, pictures and mouldings. Soft hair — 4 ft. handle — 3 ft. extension.

DRY MOP

Preserves the shining luster of waxed or polished floors

The most popular and widely used Dry Mop in American homes. The new improved trim doubles the dust gathering qualities. Dusts your floors in half the time. Twice the size of ordinary mops. The reversible feature brings both sides of the mop into constant use. Chemically treated to quickly and thoroughly gather dust from waxed, polished or linoleum floors. Dust shakes out readily and mop is easy to wash. Lies flat on floor. Gets under low furniture and behind radiators. Four strand cotton yarn — 4 ft. handle.

LAUNDERABLE DRY MOP

Gives you a clean, fresh dry mop every week

A fine grade of tightly spun yarn sewed on a cloth sleeve which is easily removed from the flatiron shaped frame. Has swivel handle. Mop lies flat on floor. Have 2 or 3 extra heads — change them frequently and launder them every week.

RUG AND FLOOR BRUSH

Gets the grit that grinds

The world's best sweeping floor brush is modernized and lightened for home use. Sweeps and brushes rugs and floors. Gets the grit that grinds wax, paint and varnish from floors and cuts the nap of rugs. The two-row open construction lifts the nap and thoroughly cleans the grit from rugs and carpets and the fine dirt from smooth floor surfaces. Rubber protected ends. Steel-gripped construction of hair and fiber material. 14" width—54" handle.

FIBER BROOM

A better-sweeping money-saving broom

The famous Fuller Broom now used in 10 million homes. Light and easy to use. Sweeps all kinds of floor surfaces cleaner and easier than any other broom. Center of fine fiber gets the fine dust from smooth surface. Outer casing of heavier fiber sweeps rugs and carpets. Gets into corners. Fiber is cemented and riveted into light metal shell. Cannot break at shoulder. No sewing to break. Good for sweeping or scrubbing. May be worn down to metal shell.

REFILLABLE SCRUB BRUSH

Will scrub anything that can be scrubbed

The long handle takes the hard work out of scrubbing. Enables you to give pressure to the brush. The square brush gets into square corners. Turn brush lengthwise of handle—brush gets into narrow places and under low furniture. May be used with cheese cloth pad for applying wax and with a felt pad for polishing floors. Durable Tampico Fiber. Rust proof metal back. May be refilled. 4 ft. handle.

LINOLEUM MOP

With special absorbent yarn

Mops your kitchen floors, linoleum, or tile floors in half the time with half the effort. Gets into corners and cleans along baseboards without streaking or splashing. Padded frame will not scratch or mar woodwork. Open center makes mop dry out quickly. Will not sour. Specially spun four-strand cotton yarn gives long wear. Detachable handle. Easy to wring because open frame is easy to hold.

STAIR AND DUSTPAN BRUSH

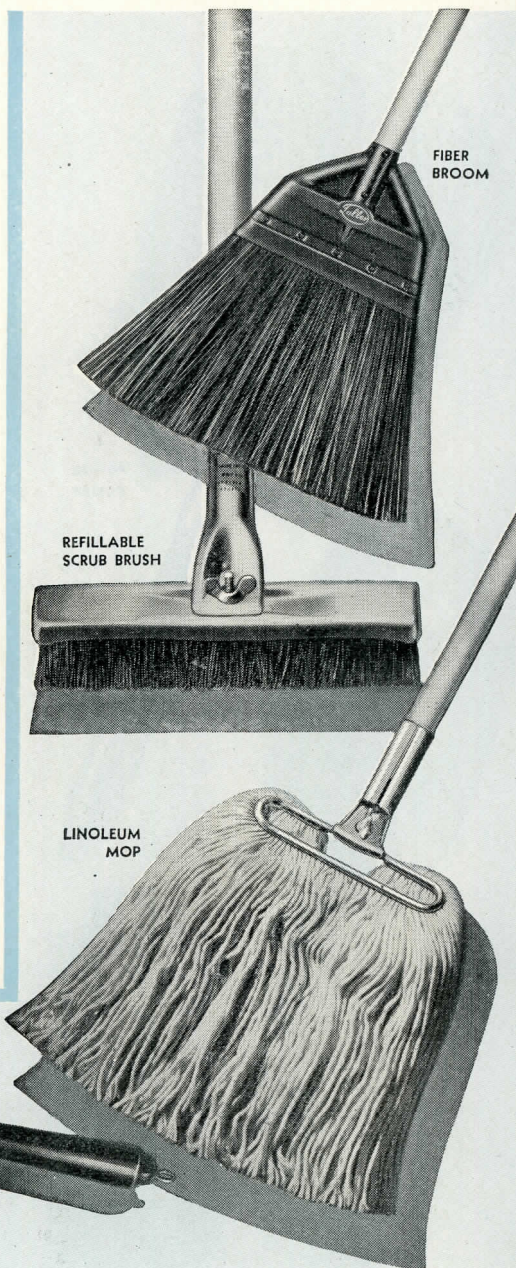

For 1,000 corners and 100 other uses

Especially designed to clean stair steps and stair carpets. Cleans corners without marring. Open center prevents raising dust. Makes it easy to keep clean. Good as a dust pan brush. Excellent for brushing ashes from fireplace or stoves. Good for shelves, cupboards, closets, or under sills or shutters—the upholstery or rugs in auto. Light in weight. Easy to use and handle. HEAVY DUTY BROOM

Can be used on concrete, cement or rough wood floors

The upper ends of the fiber are boiled in pitch and held securely between two pieces of metal shell riveted together. The shape of the shell gives the broom a wide natural flare. Metal band makes sewing or stitching unnecessary. It has a maximum sweeping width 17 inches. Its stiff, tough, Aztec fiber is 10 inches in length and may be worn down to the metal shell.

The fiber is not affected by water, oil or acids. Wears better and lasts longer than any corn broom and the average fiber broom. High grade Aztec Fiber. Extra Heavy Handle.

MEDIUM BROOM

A stiffer center broom for use in homes, stores, churches, hotels, etc.

Constructed in the same manner as the broom above but more nearly the size of a corn broom. Weighs two pounds — the average of a good corn broom. Material especially suited for sweeping rugs, carpets, rubber runners and smooth floors. A superior broom in every respect. Aztec outer fiber, stiff center.

HEAVY DUTY WET MOP {16 inch}

A 16 ounce absorbent wet mop which does heavy work efficiently and economically. Large mop head gives extra wear. Has exceptional absorbing and rinsing qualities. Wide tape holds strands of yarn securely. Made of 7 ply cotton yarn, sewed securely with many rows of stitching through a 5 inch tape. Tests show it to be a leader in efficiency, strength and long life. Special grip type connector handle. Mop is 16 inches long. Weighs 16 ounces.

HAIR AND FIBER PUSH BROOM

{16, 18 and 24 inches}

Fiber Push Broom {16 inch}

For fine sweeping such as wooden floors. Gript type construction does away with heavy wooden back. For linoleum, painted, cement, varnished and wood floors. Wide flare permits broom to get into corners. Two rows of material give it a generous sweeping surface. Like all other Fuller brooms, its open, steel-gript construction makes it easy to keep clean. Hair and Fiber—16, 18 and 24 inch width. All Fiber 16 inch only.
